

Description: Flat

Transaction type

Sale

Cozy and spacious 4 room apartment with two isolated bedrooms, a living room combined with a kitchen area, one walk-in bedroom are for sale. The windows of the apartment overlook the courtyard, so you can not hear the noise of the road. The apartment has: an iron door, the floor is covered with laminate, the walls are leveled, suspended ceilings, new sewer and water pipes, a new electrical installation. Central heating. Very good location, in a closed courtyard there is a place for a car. All documents are in order, the apartment is without debts and burdens. The land under the house is owned. The house serves its partnership, not high utility bills. Call and arrange a viewing.

When the offer is sold, the ad will be deleted.
